

# ECONOVAN 4WD MAXI

## Econovan Maxi 4WD

This is the hard-working van that can take a crew and a load to almost anywhere. The 4.7 metre overall length and high roofline mean there's plenty of space inside. Econovan Maxi 4WD has seating for 6 people, or the back seat can be folded forward, to make extra loadspace. And there's a rear step bumper for easy loading.

So load up and head off. A 2.0 litre petrol engine and 5-speed manual floor mounted transmission as well as power assisted rack and pinion steering mean

Econovan Maxi 4WD is a pleasure to drive in the country or in the city. When the need arises its 4-wheel-drive capabilities will make light work of sand, snow, mud and gravel — which makes Econovan Maxi 4WD especially suited for work at mining, construction, logging and survey sites. Econovan Maxi 4WD also makes a great unit for camper conversions.

A limited slip differential improves traction on rough roads and tracks. And Econovan Maxi 4WD has a special auto-timing shift

## Standard Features

- 2.0 Litre petrol engine • Five speed floor-mounted manual transmission
- Two speed foot mounted transfer case • Comfortable seating for 6 people • Contoured driver's seat
- Push-button AM radio • Power assisted rack and pinion steering system • Remote fuel lid release
- Remote rear door lock release • Heated rear window • Rear window wash/wipe • Finger-tip binnacle switches for rear demister, rear wash/wipe and remote rear door lock release
- Steering column stalks for headlights, turn indicators and windscreen wipe and wash
- Intermittent wiper for windscreen wipers • Rear step bumper • Halogen headlamps • Left and right hand side exterior rear view mirrors • Front and rear interior lamps, door-operated
- Four speed ventilation fan • Four dash ventilation outlets • Side window

demister vents • Front and rear mudflaps • Gas-filled support struts for the rear door • Grab handles • Illuminated alcohol lock • Second row foldable seat with seat belts • Vinyl seat harness • Dual hand-cranked centre side and right hand rear windows and hand fixed rear left hand side window • Vinyl floor-covering in the cabin and cargo area • Tyre pressure • Air conditioning is optional at additional cost and is available from your Ford Dealer

## Engine:

### 2.0 Litre Petrol Engine

- 4 cylinder overhead camshaft crossflow petrol engine • Taxable horsepower (RAC rating) 18.34 HP
- Compression ratio 8.8:1
- Bore/Stroke 86mm x 88mm (3.39" x 3.39") • Maximum horsepower 62.9 kW @ 5000 rpm • Maximum torque 194.0 Nm @ 2800 rpm

## Transmission Manual

- Five speed all-synchromesh transmission with floor-mounted shift
- Gear ratios 4.71:1, 2.55:1, 1.87:1, 1.33:1, 1.00:1
- Reverse 4.00:1 • Transfer case ratio 1.00:1 • High Range 1.00:1, Low Range 2.21:1

## Steering

- Power assisted rack and pinion steering Ratio - 21:1

## Suspension

- Fully independent front suspension system with torsion bar springs • Rear suspension features two stage semi-elliptical leaf springs with played in absorbers • Semi-floating rear axle

## Brakes

- Dual line, power assisted with a sensing gravity valve • Ventilated disc brakes • Self-adjusting rear brakes

## Fuel

- Econovan Maxi 4WD is designed to run on unleaded fuel

4WD (4L)

### 4WD (4L)

This setting provides traction on all four wheels of 4WD and in addition the pulling power of Low Ratio gearing. Use this for very steep gradients, especially where engine compression braking is needed.

4WD (4H)

### 4WD (4H)

This setting provides the traction of 4 wheel drive and the benefits of High Ratio gearing. Use this for normal road or on road.

2WD (2H)

## PLEASE NOTE:

1. This specification sheet contains a general description only of the Ford Product referred to in the sheet, its specifications and features and the currently available for use on or in connection with such product. Generally the optional equipment referred to is available at extra or variable cost. It may be used or ordered in combination with other optional equipment.
2. The illustrations, information and specifications presented and referred to are correct at the time when the specification sheet was approved for printing. However, Ford Motor Company of Australia Limited reserves the right and/or any applicable State or Territory thereof and/or the regulations of any competent Authority which may apply from time to time, or its directed notice to discontinue or change the models, features, specifications, designs and prices of the product referred to in this sheet and any optional equipment, whenever to any purchaser or prospective purchaser of any of such products.
3. All capacities, measurements, dimensions and sheet are approximate only.
4. Because of the possibility of changes in models and the information, specifications, features, standard equipment, product referred to in this specification sheet a prospective purchaser is strongly advised to consult an Authorized Ford Dealer for the latest features, standard equipment, optional equipment, prices and availability before placing an order.
5. From time to time deliveries are delayed control of Ford Motor Company of Australia Limited, or its Authorized Ford Dealers. When an order has been placed, please keep in touch.
